SUBJECT: Further Processing of USDA Foods for SY13  
Proposal No. 12-11-05

DATE: January 24, 2012

On January 24, 2012 the Region One Education Service Center Board of Directors met to review and approve the recommendation of the Child Nutrition Program – South Texas Cooperative (CNP-STC) for the award of Further Processing of USDA Foods for SY13 Proposal Number 12-11-05. This service allows our members to collectively divert truckloads of USDA Foods to approved manufacturers for further processing. Further processing makes efficient use of USDA Foods. Items such as raw beef and chicken are converted into more convenient, ready to use, and student preferred end products, such as fully cooked hamburger patties and chicken nuggets. Categories approved for further processing include, but are not limited to: beef, cheese, chicken, eggs, fish, flour, fruit, peanut butter, pork, potatoes, tomatoes, turkey, and vegetable oil. The following fifty-seven (57) manufacturers are awarded based on the proposals received, including pricing and services that meet the needs of our members:

**Awards are to all members requesting Further Processing of USDA Foods for SY13**

**Award Period: July 1, 2012 - June 30, 2013 with 2 additional 1 year extension options**
