Only the legally responsible party may certify and submit this report.
1. **Are all 3 applications due at the same time?**
   The ESSA Consolidated Federal Grant Application, Carl D. Perkins Career and Technology and Special Education Consolidated Grant Applications all open on June 3, 2019 and are due September 3, 2019. Each of the 3 applications are independent of each other and are submitted individually. They do not need to be submitted at the same time.

2. **If applying for special education, do LEAs need to have a barrier on the SC5003?**
   There is a message saying “if LEA is applying for special education funds a barrier is recommended”. TEA will not be negotiating the SC5003.

3. **Are Provisions and Assurances and Guidelines going to be on the TEA website and available in pdf?**
   All documents the LEA is assuring to on the SC5003 are on the TEA website as well as on the Grant Opportunities webpage.

4. **Will LEAs receive 1 NOGA or multiple NOGAs since it is a consolidated application?**
   Each application has an individual NOGA.
5. How many Authorized Officials can an LEA have?
The contacts page does not provide the eGrants role of each contact. There can be as many authorized officials as are approved by the LEA.

6. If an LEA is part of Coop for Special Education and SSA for CTE, how does this affect the application process?
This does not impact the application process. The applications are independent of each other.

7. If a barrier is selected for Special Education how does that affect the ESSA and Perkins if they would not normally have one?
The LEA only identifies the barrier and not the program. The LEA is only identifying the barrier and not the strategy to overcome the barrier.

8. Do SSA members have access to the SC5003?
Yes. Every LEA must submit the SC5003. This includes SSA members.
9. Can the same contact be listed for all 3 grant applications?
   The applications are submitted independently and does not prevent an LEA from listing the
   same contact names for each of the grant applications.
   • Contacts should have access to eGrants
   • Contacts should be available during the summer
   • Contacts have access to their email

10. If an LEA submits the ESSA application on 7/1 and the Special Education application is
    still in progress, could I get my ESSA NOGA before my Special Education application is
    submitted?
    Yes. Each grant application issues its own NOGA.
