

Cashier Training

Does your staff understand all the critical points of organizing, accepting and protecting your cash?

Your treasury operations begin as money flows into the district. In this comprehensive training participants will examine all the components of cash handling and how to protect revenue as it is received.

What to Expect:

- Learn best practices and techniques to reduce loss and theft.
- Increase accuracy and efficiency while handling cash and non-cash transactions.
- Incorporate greater internal controls in daily operations.
- Understand the role and responsibilities of the cashiering team.
- Improve customer service!
- Improve employee satisfaction!
