

Project Share Online Course
This course will be managed at the state level.

Title of Course:	TEA Advanced Biotechnology: Part 1 TEA Advanced Biotechnology: Part 2 TEA Advanced Biotechnology: Part 3 TEA Advanced Biotechnology: Part 4 TEA Advanced Biotechnology: Part 5 TEA Advanced Biotechnology: Part 6
Description:	Advanced Biotechnology provides teachers with an overview of the biotechnology field and an introduction to the latest information and discoveries in biotechnology. This course is designed to prepare teachers to instruct the Advanced Biotechnology course at the high school level. There are 6 sections of Advanced Biotechnology. It is recommended that course sections be taken in order. The access code is below. For questions or concerns about this course, please contact projectshare@tea.state.tx.us or contact your regional education service center (ESC). CPE credit is 15 hours for each section.
Keywords:	CTE, Career and Technical Education, biotechnology

Course Details

Audience:	All teachers assigned to teach Advanced Biotechnology must participate in this Texas Education Agency (TEA)-approved training prior to teaching the course effective with the 2012-2013 school year. Teachers who were assigned to teach this course in 2010-2011 and/or 2011-2012 will have 12 months from the date the course is first offered to meet the TEA-approved training requirement. For teachers who have not previously taught this course, once a district has confirmed that a teacher is enrolled in and making progress toward the completion of the online PD course, the district may assign the teacher to teach the high school course.
Type of course:	Self-paced
Credits:	CPE credit is 15 hours per section
