

Project Share Online Course
This course will be managed at the state level.

Title of Course:	TEA Food Science: Part 1 TEA Food Science: Part 2 TEA Food Science: Part 3 TEA Food Science: Part 4 TEA Food Science: Part 5 TEA Food Science: Part 6
Description:	The Food Science Teacher Professional Development course is designed to prepare educators to teach Food Science to high school students in Texas. Upon successful completion of this course, participants will be aware of key issues related to food science and how to access additional resources for more in depth research, assistance, or training. There are 6 sections of Food Science. It is recommended that course sections be taken in order. The course access code is below. For more information, please contact projectshare@tea.state.tx.us or contact your regional education service center (ESC). CPE credit is 15 hours for each section.
Keywords:	CTE, Career and Technical Education, Food Science
Course Details	
Audience:	All teachers assigned to teach Food Science must participate in this Texas Education Agency (TEA)-approved training prior to teaching the course effective with the 2012-2013 school year. Teachers who were assigned to teach this course in 2010-2011 and/or 2011-2012 will have 12 months from the date the course is first offered to meet the TEA-approved training requirement. For teachers who have not previously taught this course, once a district has confirmed that a teacher is enrolled in and making progress toward the completion of the online PD course, the district may assign the teacher to teach the high school course.
Type of course:	Self-paced
Credits:	CPE credit is 15 hours per section
