

Project Share Online Course This course will be managed at the state level. Participants may join by access code provided below.	
Title of Course:	Statistics and Risk Management: Part 1 Statistics and Risk Management: Part 2 Statistics and Risk Management: Part 3 Statistics and Risk Management: Part 4 Statistics and Risk Management: Part 5 Statistics and Risk Management: Part 6
Description:	The Statistics and Risk Management course will inform and familiarize learners about the field of statistics and risk management as a framework for teaching this content in the career and technical education (CTE) classroom. This course covers the general areas of describing data, probability, confidence intervals, hypothesis testing, regression, money flow, financial resources, data forecasting and management, fiscal stability, risk management strategies, and production. There are 6 sections of Statistics and Risk Management. It is recommended that course sections be taken in order. For information, send a request to projectshare@tea.state.tx.us or contact your regional education service center (ESC). CPE credit is 15 hours for each section.
Keywords:	CTE, Career and Technical Education, Statistics, Risk Management
Course Details	
Audience:	All teachers assigned to teach Statistics and Risk Management must participate in this Texas Education Agency (TEA)-approved training prior to teaching the course effective with the 2012-2013 school year. Teachers who were assigned to teach this course in 2010-2011 and/or 2011-2012 will have 12 months from the date the course is first offered to meet the TEA-approved training requirement. For teachers who have not previously taught this course, once a district has confirmed that a teacher is enrolled in and making progress toward the completion of the online PD course, the district may assign the teacher to teach the high school course.
Type of course:	Self-paced
Credits:	CPE credit is 15 hours per section
