

Accelerated Learning Leadership Series

Continue the Journey of Excellence

House Bill 4545 passed by the 87th Texas Legislature has expanded accelerated learning requirements that impact school systems in the 2021-2022 school year. Be prepared to take actions that may impact scheduling, staffing, instructional materials, tutoring, and learning acceleration committees. Region One ESC in partnership with TNTP, Inc. has designed a 6-day Accelerated Learning Leadership Series to support the planning, implementation, and monitoring of accelerated instruction.

This professional development series is designed to support school systems as district administrators lead change and ensure that every educator is well-supported to provide on-grade level instruction through an accelerated learning model.

Key Areas of Focus

- ❖ Introduction to the Opportunity Myth
- ❖ Diagnosing Unfinished Learning
- ❖ Adapting a Scope and Sequence
- ❖ Prioritizing the Most Critical Skills
- ❖ Ensuring Access to Strong Instruction
- ❖ Acceleration for SPED and Multilingual Learners
- ❖ Supporting AL: Student Work a Deep Dive
- ❖ Progress Monitoring: Assessing Learning
