Regional Curriculum Consortium

Grade Level Proficiency & Equitable Outcomes for All Students

Join the Region One Education Service Center 2022-2023 *Curriculum Consortium* to leverage expertise and refine practice. The consortium is comprised of four days of high-quality professional development that supports the utilization of HQIM, differentiated professional development, replication of high-leverage and evidence-based practices for instructional consistency. The curriculum consortium includes two additional days of technical assistance and planning to meet the district vision and goals for improved student performance and educator practice.

Optional Onsite Technical Assistance

- ✦ 2-Days of Customized District Technical Assistance
- *Dates will be determined by DLT.*
- *Additional Fee of \$2,500*
