EDINBURG, TEXAS 78541

(956) 984-6218

Migrant Education Program

ATTENTION!

EARLY CHILDHOOD

STUDENT SUPPORT

ACADEMIC SUPPORT

The purpose of the program is to ensure that migratory children are not penalized in any way by state curricula, graduation requirements, courses, or assessments when they move between states.

If your family traveled outside of the region in search of agricultural or fishing work this year, your children may be eligible for support services through your district's Migrant Education Program!
