

Campus Improvement Plan Compliance Review

ESSA COMPLIANCE

TEA conducts an annual random validation process for districts to monitor the compliance of each eligible entity receiving ESSA funds. The annual validation process for LEAs addresses the statutory requirements based on program implementation and effectiveness for the current grant year.

To ensure that districts are meeting the statutory requirements of the Title I, Part A—Schoolwide Program Elements, Region One is engaging in Campus Improvement Plan Compliance Reviews.

The review will include:

- **Schoolwide Program Elements Review**
- **CIP components check**
- **ESSA Support Elements**
- **Recommendations**
