

Network of Excellence: Teach South Texas

TeachSTX Network of Excellence is designed to develop a strong network of professionals engaged in ongoing professional learning and reflective spaces for teachers in South Texas. TeachSTX participants will have access to ongoing professional learning sessions and professional learning communities taking place during the 2023-2024 school year. As members of this network, participants will have access to high quality professional learning sessions, as well as PLCs, and the Network of Excellence End of Year **TeachSTX** Summit. Areas of focus are aligned to refining and enhancing strong instructional practices that revolutionize the modern classroom.

To Join this the #TeachSTX Network of Excellence register for Workshop #274577

Network of Excellence Outcomes:

Develop a collaborative Network of Excellence for South Texas Teachers

Refine & enhance practices to promote student and teacher growth
