2021-2022: REMINDERS

- **REMINDER:** Please send your cumulative enrollment event files for the start of the 2021-2022 school year. The school year for enrollment events begins **August 1, 2021**.
- **REMINDER:** If you inadvertently submit enrollment events that were processed in a previous file, the event will be ignored with a Duplicate Event warning message.
- **REMINDER:** Utilize the TSDS UID Enrollment Submission Summary Report (**UID0-000-006**) located in the Global Reports Viewer to monitor the weekly submission of an LEA's enrollment data loads.

2021-2022: REMINDERS

- Any LEA that did not complete **at least one UID Enrollment tracking submission** between their first day of school in the 2021-2022 school year and the second Friday in September 2021 will be identified with **Leaver Records Data Validation Indicator #6**.
- Any LEA that did not complete **at least one UID Enrollment Tracking submission** during the 2020-2021 School Year will be identified **with Leaver Records Data Validation Indicator #7**.

2021-2022: APPLICATION UPDATES

- The Unique ID application will be configured on **August 1, 2021** to allow cumulative enrollment tracking files at the beginning of the school year.
 - The system will be configured to allow up to **300,000** records per enrollment batch file to accommodate the submission of larger cumulative enrollment files.
 - This limit will be valid through **September 24, 2021**.
 - After that date, TEA will reset the record limit back to **40,000** records per enrollment file.

CURRENT KNOWN ISSUES

- In September 2021, the Texas Workforce Commission (TWC) may have inadvertently taken Master Record ownership of some student records in error. This issue has since been resolved.
- TEA has confirmed that the TWC can only make updates to student records in Unique ID for which they have current master ownership. If an LEA has taken the necessary steps to take back ownership of the record, then the TWC is prevented from making any further changes.
