COVID-19 RESOURCES FOR LEADERS

2020 ACCOUNTABILITY

This webinar session includes the most recent guidance from TEA regarding Federal and State Accountability for the 2020-2021 school year due to COVID-19. Watch the webinar [here](#).

GRADUATION & GRADING REQUIREMENTS

This webinar helps district leaders understand the new Grading and Graduation Requirements due to school closures. Get answers to common questions and learn innovative ideas as we continue to engage with “at-home schools”. Click [here](#) to view!

THINKING INSIDE THE BOX: A SERIES OF LEADERSHIP WEBINARS DURING COVID-19

PART I: LEADING A POSITIVE SCHOOL CULTURE DURING COVID-19

Leaders will explore a number of strategies to strengthen a positive school culture even during school closures and distance learning.

PART II: BEST PRACTICES UTILIZED BY HIGHLY RESILIENT LEADERS DURING TIMES OF CRISIS

In the face of change and crisis, resilience is key! Participants will explore the best practices utilized by highly resilient leaders and apply them to this new and challenging time.

FEDERAL PROGRAMS

Our office is now hosting weekly meetings to provide Federal Programs Directors critical guidance during school and district closures due to COVID-19. Click [here](#) for more details.

NEW INSTRUCTIONAL CONTINUITY GRANT

This new grant is designed for Title I Targeted Support schools to provide supplemental resources for improved student outcomes during COVID-19. Click [here](#) for more details.

EFFECTIVE SCHOOLS FRAMEWORK

ESF Diagnostics are cancelled for the rest of the 2019-20 school year. The remaining required Diagnostics will be conducted in the Spring of 2021.

TIP PROGRESS SUBMISSIONS

Progress 2 feedback will not be provided during school closures, and the submission for Progress 3 will be delayed. More info to come on Cycle 4 reflections that will guide summer work and planning.
