

# Transformational Leadership Academy

## Description:

Transformational Leadership Academy is a year-long, three-day academy for Principals and Assistant Principals that will develop leaders and transform schools. Through learning strategies and protocols, participants will develop practical, action-focused planning for diagnosing school needs and implementing structures, systems, and practices that accelerate student achievement. This will help prepare our next generation of principals and district leaders to improve student outcomes.

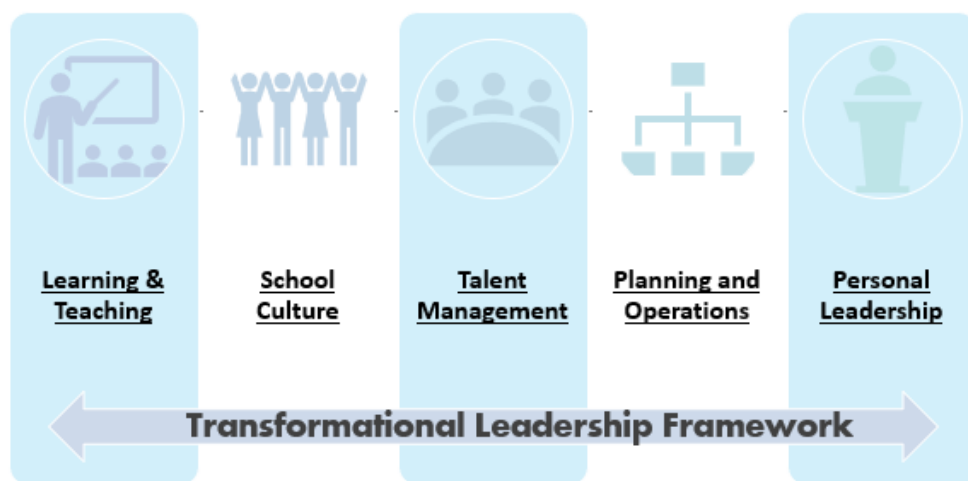

## Topics to be covered:

- Learning & Teaching
- School-wide culture
- Talent Management
- Planning and Operations
- Personal Leadership
- And much more!!!

## Intended audience:

New and experienced Principals and Assistant Principals
