

## Welcome back to in-person training at Region One ESC!

Region One ESC is committed to making you feel safe and comfortable when visiting our facility. We have taken necessary precautions, based on CDC and local health authority guidelines, to ensure that our ESC facility is well-maintained when you visit us for your professional development needs, so you can focus solely on your learning!

**By attending Region One ESC workshops and events, you acknowledge there is an inherent risk of exposure to COVID-19 in any public space where people gather. We expect all attendees to follow the CDC guidance and all posted instructions to ensure the health and safety of our attendees and staff.**

**If you are experiencing symptoms, have COVID-19, may have been exposed, or are waiting for COVID 19 test results, [please stay home](#).**

- ★ If you exhibit any COVID-19 symptoms, including a fever, please stay home and you may attend the session in an online format, if available.
- ★ If you have been exposed to anyone who has tested positive for COVID-19, please stay home and you may attend the session in an online format, if available.
- ★ The use of a mask is strongly encouraged.
- ★ To get you to your training room quicker, we suggest that you park in recommended parking areas.
- ★ Please proceed directly to your destination. Do not congregate in common areas.
- ★ Practice recognized CDC social distancing guidelines. Fist bump or elbow bumps, instead of a handshake!
