

Region One Education Service Center Curriculum, Instruction and Assessment

2023-2024 District Leadership Meetings

Meetings are designed to support district leaders in the systemic implementation of the TEKS Resource System. During these sessions participants will examine and plan for critical staff supports, receive content area and technical updates, as well as network and share best practices. Leaders will gain a deeper understanding of the systemic implementation of TEKS Resource System to support student growth.

Key Areas Addressed:

- ◆ Curriculum Implementation Supports
- ◆ Content Area and Technical Updates
- ◆ New Resources and Tools
- ◆ Opportunities to Provide Feedback on Program Services
- ◆ Collaborate and Network with District Leaders
- ◆ Connections to Educator Effectiveness and Student Success
