Texas Teacher & Principal Evaluation and Support System (T-TESS & T-PESS)

T-TESS

T-TESS is a process that seeks to develop habits of continuous improvement, and the process itself best leads to that outcome when appraisers and teacher focus on evidence-based feedback and professional development decisions based on that feedback through ongoing dialogue and collaboration.

Time: 8:00 a.m. - 5:00 p.m.

Fee: \$475 per participant

Workshop #: 198711 Aug. 17-19, 2022 @ Region One ESC

Workshop #: 238990 Sep. 13-15, 2022 @ Virtual*

Workshop #: 198712 Sep. 27-29, 2022 @ Region One ESC

Workshop #: 235352 Oct. 25-27, 2022 @ Region One ESC

T-PESS

The Texas Principal Evaluation and Support System (T-PESS) give principals the guidance they need to chart their own course for professional growth and development. It helps appraisers guide growth and performance through systemic supports, identify performance strengths and support gaps, and provide constructive feedback.

Time: 8:00 a.m. - 5:00 p.m.

Fee: \$350 per participant

Workshop #: 228296 Aug. 23, 2022 @ Region One ESC

T-TESS 1/2 day Calibration—This session will provide participants with a deeper dive into the calibration process, allow them to engage in multiple calibration opportunities using a rubric and two different protocols, and continue to hone scripting and evidence collecting skill sets.

Time: 1:00 p.m. - 5:00 p.m.

Fee: \$125 per participant

Workshop # 235383 Oct. 5, 2022 @ Region One ESC

Student Learning Objectives

The **Student Learning Objectives (SLOs)** process aims to capture excellent teachers regularly setting learning goals for their students and using a variety of data sources to monitor progress towards these goals throughout the year. This best practice allows teachers and teacher appraisers to determine and reflect on a teacher's pedagogical strengths and areas for growth.

Time: 8:00 a.m.—5:00 a.m.

Fee: 2-Day \$400 per participant
