

Planning for Mastery

Session Overview

Effective teachers plan with the end in mind. They examine the big picture and clearly identify what students need to know and be able to do and intentionally focus on outcomes that demonstrate proficiency. These sessions will provide an opportunity for teachers to collaboratively plan for each given six weeks of instruction using the TEKS Resource System. Participants will leave with a six weeks planning document aligned to local resources and share best practices for instructional delivery.

Key Areas Addressed

- ◆ 2nd six-weeks- & 3rd six -weeks backward planning
- ◆ Addressing critical learning standards
- ◆ Understanding rigor & content specificity
- ◆ Multiple representations of the TEKS
- ◆ T-TESS planning dimension 1.1
- ◆ COVID - 19 GAP Implementation TOOL

Location

All sessions will be virtual via Zoom. Zoom Link will be emailed to participants a few days prior to the session.
