Region One ESC Selects School Board of the Year
Mission CISD Board of Trustees Takes Top Honor

The Region One Education Service Center has announced the selection of the Mission Consolidated Independent School District's Board of Trustees as the 2021 Regional School Board of the Year. As a regional winner, Region One ESC will submit Mission CISD's nomination in the Texas Association of School Administrators "Outstanding School Board of the Year" program. The program recognizes school boards across the state that have demonstrated outstanding dedication and rendered ethical service to the children of Texas. TASA is the professional association for Texas school superintendents and other administrators.

Members of the nominated 2020-2021 Board of Trustees are Minnie R. Rodgers, President; Jerry Zamora, Vice-President; Veronica "Betty" R. Mendoza, Secretary; Petra B. Ramirez, Member; Juan M. Gonzalez, Member; Iris Iglesias, Member; and Roy Vela, Member.

Texas school superintendents who are TASA members may submit nominations to their respective education service centers for the state recognition. Submitted nominations to the Region One Education Service Center were reviewed by a committee of Region One school superintendents. The criteria used to evaluate nominated school boards includes evidence of the board acting as a policy-making body, the board's adherence to adopted board policies, demonstrated support for educational performance of state-established standards, support for educational improvement projects and school transformation initiatives, a commitment to a code of ethics, provision of financial support for the school system, participation in workshops and other performance improvement programs, placement of the welfare of children served by the school system above personal or political motives, public relations efforts, including community awareness, and maintenance of harmonious and supportive relationships among board members.

"The Mission CISD Board of Trustees has demonstrated through its actions and leadership how a school board should effectively function within a school district. We congratulate the Mission School Board members on their receipt of this prestigious award and are proud to have them represent the Region One area," said Dr. Eduardo Cancino, Interim Region One ESC Executive Director.

Five school boards from the state's twenty service centers will be selected and recognized as *Texas Honor School Boards* by the Texas Association of School Administrators in August. The five boards will be interviewed by the TASA School Board Awards Committee and the winner of the *Texas Outstanding School Board* will be announced at the joint conference of the Texas Association of School Administrators/Texas Association of School Boards (TASA/TASB), in September.
