Hi Anna,
Checking in with you on the gloves below. I know GCP only bid on the Medium and Large size gloves for these types of gloves. But Weslaco shared with me that you are able to provide these gloves, at the price below. ***Is that correct?***

I am working on an addendum right now and wanted to check with you, so if I can I can award these two sizes to GCP, so that the schools have other options for gloves.

Is GCP okay with being awarded as an Alternate vendor for these types of gloves? And are you able to hold the price below for this coming year, 2020-2021?

Please let me know.
