POST-OBSERVATION FEEDBACK

Specific Praise

High Leverage Area

Which is the **most important** action/inaction to focus on improving?

FOCUS QUESTIONS

PROBING & REFLECTIVE QUESTIONING

Goals

What do you expect the students to learn?

Assessment

How will you know the students are learning?

*What do you expect the students to **say, write, or do** that shows what they did or did not learn as it relates to the learning goals? (Low Inference/quantitative data)*

Intervention

How will you respond when the students do not learn?

What are the teacher actions that led to the success or gaps in learning?

Lesson Plan Feedback

What are the questions that will drive the content and skills that you will teach?

How will you maximize the instructional time with each task?
